In 2009-2010, your gifts to CSF helped make these academic programs possible:

- | | |
|--|---|
| Silver Strand and Village Elementary Schools | Visual and performing arts and literary support teachers, science lab instructor, technology resource teacher/computer lab instructor, enrichment clubs, preschool materials; also at Village, special education support and professional development |
| Coronado Middle School | Technology resource teacher, science lab materials, mathematics technology assessment tools, technology software/online curriculum programs in English language arts and reading, visual and performing arts resources and supplies, professional development |
| Coronado High School And Palm Academy | Technology resource teacher, science lab materials, accelerated math license, Shakespeare Festival, Crown City Robotics support, technology licenses/software programs, CHS counseling professional development and outreach, cameras for digital photography and yearbook, Naviance/Family Connection, visiting artist program, professional development |

Thank you for supporting our schools. To donate online or *por esta forma en español*, visit www.csfkids.org.

Donor Levels for Partners in Education

Realizing the quality and value of a Coronado Unified School District education, some families give at higher levels for Partners in Education. They know that a similar private-school education would cost \$10,000 or more per year and that our award-winning public schools need their support to maintain our level of academic excellence.

Coronado Schools Foundation invites you to give generously. Thank you.

Partner Level	Annual Gift Per Student	Active Military	Recognition (based on total contribution) Levels are 50% less for military families
<input type="checkbox"/> Valedictorian	\$15,000+	\$7,500+
